

TOWN OF LAKESIDE  
Comprehensive Town Planning Committee  
June 17, 2014

**Agenda:**

Called to order at 6:01pm.

Present: Tracy Ruppe, Kevin Norbie, Martin Pflug and Ruth Ann Schnepfer.

After digging through mounds of information there are only 3 areas that need to be addressed; Issues and Opportunities, Transportation and Agricultural, Natural, and Cultural Resources. Using the results from the survey the committee came up with both goals and objectives for each of the 3 remaining areas.

The committee took the information that has been compiled as well as existing maps and is now working to combine everything into 1 document that can be presented to the board, and then added to the website.

The Committee will meet again on 6/30/14, 6 pm to go over the documents 1 last time before presenting the final draft to the town board at the July 8<sup>th</sup> regular board meeting.

Respectfully Submitted  
Ruth Ann Schnepfer, Clerk  
6/26/14
